Michigan Rock & Rollover

Progressive Charity Game Instructions

BEFORE SELLING A BOX

- Record the box serial number and event date on the Rock & Rollover Accountability form.
- Enter the rollover jackpot on the seal card. (If this is the first box of a progression, enter 0.)

SELL ALL TICKETS IN THE BOX

- Players with diamond number tickets should retain them until the diamond number winner has been determined.
- Players with diamond number tickets may choose to write their name on the corresponding line on the seal card.

DETERMINE DIAMOND PRIZE WINNER

- Once all the tickets in the box have been sold, open the diamond prize window at the top of the seal card and announce the winning diamond number.
- The player bearing the ticket with the winning diamond number wins \$250 *plus* a chance to win more.

CHOOSING A BONUS PRIZE

- The diamond prize winner chooses one of the bonus prize windows on the seal card (numbered 1-4).
- A worker verifies the window to be opened and opens it for the player. **Open only ONE window.**

IF THE OPENED BONUS PRIZE WINDOW SHOWS \$150

- The diamond prize winner also wins the \$150 bonus prize *plus* the rollover jackpot.
- Circle the window opened and "\$150" on the Rock & Rollover Accountability form. The progression ends.

IF THE OPENED BONUS PRIZE WINDOW SHOWS A ROCK

- No additional prizes are won and \$150 is "rolled over" to the next box's jackpot.
- Circle the window opened and "ROCK" on the Rock & Rollover Accountability form.
- Log the event date and serial number of the next box that will be sold on the form.
- On the new seal card, enter the new rollover jackpot amount.

CONTROLS

- Only one box of Rock & Rollover may be sold at a time.
- A new progression may not be started until the prior progression has ended.
- Retain the Rock & Rollover Accountability form with game records.
- Retain all seal cards for the same length of time as the charity game ticket redemption period listed in your House Rules. Retain seal cards for disputed games until a representative of the bureau provides direction.

IF THE DIAMOND PRIZE IS UNCLAIMED

- Announce that the winner has until the end of the charity game redemption period to claim their prize.
- Ask a neutral player to choose a bonus prize window for the winner. (This is so the game can proceed.)
- Log the transaction on the Rock & Rollover Accountability form. Make a note that the prize is unclaimed.

IF A LICENSEE WILL CLOSE PERMANENTLY OR FOR AN EXTENDED PERIOD OF TIME

- Prior to the last box of Rock & Rollover being sold, announce that the \$250 diamond prize winner will automatically win the \$150 bonus prize plus any rollover jackpot.
- All players must be allowed the opportunity to participate in the game.
